Cultiver's new home melds the grandeur of an Italian villa with the intimacy, grace and textural nuance of its wares.

BEDTIME STORIES

Interior designer Yasmine Ghoniem of YSG Studio spun a romantic story in her own rebellious style for the headquarters and showroom of homegrown linen label Cultiver. Tapestries, tourmaline tiles and stepped archways reminiscent of an Italian loggia – albeit in the hues of our sunburnt country – set a vivid scene in what was once a modest warehouse in St Leonards, Sydney. ysg.studio; cultiver.com.au
